## ASTA Swim School Terms & Conditions

### How much do lessons cost?

Swimming lessons are \$14.50 per lesson and at \$145.00 for a 10 week term, per child plus a one off \$6.00 membership fee. We do offer a discount for the third family member that enrolls in the program. You can cancel your membership at any time by giving us a month's written notice that you wish to withdraw your child from the program. Withdrawal from the Program without a month's notice or missed are not refundable.

### How do I book into lessons?

1. All new patrons will need to undergo a swim assessment to determine their level in the swim program before a booking can be made.
2. Babies and children aged 6mths to 36mths can be booked directly into:  
① Wonder 1 (6mths – 12mths), ② Wonder 2 (13mths – 24mths) & ③ Wonder 3 (25mths – 36mths).
3. At the time of enrolment, each swimmer's current immunisation record must be sighted.
4. Enrolment Fee: A \$6 enrolment fee applies per person enrolling in the Swim Program and is charged at the time of the first booking. This fee includes your swipe cards. You are required to swipe your card prior to entering your lesson. Upon re-enrolling your swipe card will be "recharged" for the next term. Replacement swipe card will incur a cost of \$6.00.

### Showering

All patrons must shower prior to entering the pool. This enables us to maintain excellent water quality for all patrons to enjoy. Showers are located on the pool decks of both pools and also in the change room facilities.

### What happens if I miss a lesson?

Make up classes are only available for missed classes due to illness when a Medical Certificate is supplied. Parent/carer must advise our office that your child will be away prior to their lesson time. There is a maximum of **2 make up classes per child, per term and they cannot be carried over to the next term.** Make up lessons are offered subject to availability.

### Duty of Care

The Swimming Instructor's "Duty of Care" begins when your child is placed in their lesson and ceases at the end of their lesson. Children must not be left without supervision at any time during your visit to the centre. Children and all other patrons are not permitted to enter the pools unless they are participating in an ASTA Swim School class. You must ensure that you collect your child from their lesson on time. Whilst we know that children are exuberant and often very excited about their swimming lessons, we ask that they stay within arms reach whilst moving around the centre and that you do not allow them to run during your visit.

### In the event of an Emergency

If the centre was to be subject to an emergency evacuation, please do not panic but take the direction offered by the designated Warden. It is important that when moving through the centre during an emergency that you do not run. Please listen to instruction that is offered by the trained staff and follow it. Your child will remain in the care of their Instructor whilst moving to the assembly area, we ask that you meet their class at the assembly area, please do not take your child without the permission of the Warden.

### Photography

From time to time we may wish to take photos of children during their lessons for promotional purposes. Prior to any photography occurring, your authorisation will be sought. Please advise the Swim School Coordinator or Facility Manager if you do not wish for your child to be photographed. If you wish to take photos of your child's class, please seek permission of the Swim School Coordinator or Swim School Supervisor before doing so.

### Visitors to the centre

We welcome visitors to the centre during your swimmers lesson time, but we ask you and your visitor's follow the instruction of the staff and centre rules at all times.

### Smoking and Alcohol

ASTA is a smoke and alcohol free area. Please refrain from these activities within the boundaries of the centre.
